I will stop, see I will stop for nothing
Say the right things when electioneering
I trust I can rely on your vote

When I go forward you go backward
Somewhere we will meet
When I go forward you go backward
Somewhere we will meet

[Incomprehensible]

Riot shields, voodoo economics, yes
It's just business, cattle prods and the I.M.F.
I trust I can rely on your vote rockas

When I go forward you go backward
Somewhere we will meet
When I go forward you go backward
Somewhere we will meet

Rockas
