Please could you stop the noise, I'm trying get some
rest

From all the unborn chicken voices in my head

What's that?

([Incomprehensible])

What's that?

([Incomprehensible])

When I am king, you will be first against the wall

With your opinion which is of no consequence at all

What's that?

What's that?

Ambition makes you look pretty ugly

Kicking, squealing Gucci little piggy

You don't remember, you don't remember

Why don't you remember my name?

Off with his head, man, off with his head, man

Why don't you remember my name? I guess he does

Rain down, rain down

Come on and rain down on me

From a great height

From a great height, height

Rain down, rain down

Come on and rain down on me

From a great height

From a great height, height

Rain down, rain down

(That's it sir, you're leaving)

(The crackle of pigskin)

Come on and rain down on me

(The dust and the screaming)

(The yuppies networking)

From a great height

(And the panic, the vomit)

From a great height, height

(The panic, the vomit)
(God loves His children)
(God loves His children, yeah)
