I've been loving you
She's been hating me

Spend my time
Trying to discover why
She won't leave me be
She won't leave me

I always let her go
She always lets me down

I spend my time
Trying to discover why
True love cannot be find
True love cannot be find

Oh, my life depends on you
But you say our love is not true
But I sit and wonder why
If you leave me, I would cry

You can depend on me
I'll always see it through

I spend my time
Trying to discover why
I can't depend on you
I can't depend on

I've been loving you
She's been hating me
I've been loving you
She's been hating me

All right, all right
All right, yeah, yeah
Yeah, yeah, yeah, yeah

Believe me, darling
Yeah, yeah, oh, yeah, yeah

Babe, it's all right

Babe, it's all right
Babe, it's all right..
All right, all right, all right...

I've been loving you
She's been hating me
