Compilation blues
It leaves me so bemused
Toilet coloured rooms of the drowning happy

Toxic linedance smell
Karaoke hell
Anyone can score when the goals are empty

Knuckle-scraping men
Comic S & M
Semi-conscious love with perfect strangers

If you feel bemused
It's the sewage in your food
Brightly coloured black
Great un-natural highs
Telescopic thighs

I'm a mile away
A silent protest
Compilation blues
Broken dancing shoes

Will i never learn the blank expression
If you feel bemused
It's the sewage in your food
Brightly coloured black
