"Someone Do Something"

Visit "[Someone Do Something](#)" on MotoLyrics.com

It's like you clean yourself by rolling in shit
You clear your head by pouring stuff into it
We're going crazy for a plasticine boy
We've got a wedding list of what to enjoy

This entertainment is an ugly affair
It's getting naked for a billionaire
I'll be a cynical and impotent clone
Airbrush my ass into a hollywood home alright

The disillusioned sit, we look at each other and we sing
Someone's got to do something but i don't think it's
gonna be me
Someone's got to say something but it's not it's not
gonna be
It's not gonna be me

Investigating allegations of sleaze
100 secretaries fall to their knees
Get me a smile like a funeral star
Do me a favour in a luxury car

We're going crazy for that plasticine cool
And all the concubines are filling the pool
This entertainment is an ugly affair
We're getting naked for a billionaire alright

The disillusioned sit, we look at each other and we sing
Someone's got to do something but i don't think it's
gonna be me
Someone's got to say something but it's not it's not
gonna be
It's not gonna be me

Someone's got to do something but i don't think it's
gonna be me
Someone's got to say something but it's not it's not
gonna be
It's not gonna be
Someone's got to do something but i don't think it's
gonna be me

Someone's got to say something but it's not it's not
gonna be
It's not gonna be me
