Now feel it good and dirty  
I'm gonna hurt somebody  
I hope you're feeling thirsty sweet thing  
Cos I'm courting controversy  
I know you look like you're innocent baby  
I know you tell all your friends that you hate me  
But every weekend you're at it like crazy  
You and me  
So come around and see me  
I mix a mean martini  
And maybe later beat me senseless  
And after dinner eat me  
I know you look like you're innocent baby  
I know you tell all your friends that you hate me  
But every weekend you're at it like crazy  
You and me (yeh)  
(x2)  
Repeats a third time as main vocalist sings:  
I know you look, you look, you look like you're innocent  
baby  
I know you tell all your friends that you hate me  
Yeeeeeeeh!  
Yeeeeeeehhhhhhow!!
