Baby don't cry for me  
Been here for a while  
And I believe it's alright to be  
Through the screen with a smile  
This business of killing me  
Will be here when Im gone  
When Im gone  
So long  
You have been here  
When Im gone  
So long  
You have been here  
Don't try and explain to me  
How the truth wore you down  
And how the insecure strain to be  
In the best seats in town  
For a future so grey to me  
Guess I wont see you there  
Do they know  
Don't you know  
That you have been here  
Don't you know  
Don't you know  
That you have been here  
And Im gone  
So long  
You have been here
