[M.C. Ren]

Well it be the real niggaz back  
With that hard street shit  
Bitch niggaz be pissin a fit  
But I say fuck 'em, when I buck 'em  
Its that nigga with the cool and mellow shit  
For your ass takin' niggaz back through the past  
All up on my nutz shit be swingin' like a fist  
Can't even take a piss  
If I did niggaz would cut they wrist  
In a muthaphukkin candy 4  
Beat that ass with the switch  
Then blast on the bitch  
Who was all in my shit  
Its that nigga Ren back for the 9-5  
They say real niggaz was dead  
But this nigga be alive  
So I'm puttin' it down wit that nigga E uh-huh  
For all of my niggaz in the C-P-T  
So here we go again with part 3 of the script  
Makin bitch made niggaz bite they lip, when we dip  
So tell me how the phuck do it feel  
Tah get hit wit Tha Muthaphukkin Real

[Chorus]

Tha Muthaphukkin Real  
Shouts going out to the hardcore hip-hop  
Tha Muthaphukkin Real  
Buckin' these niggaz till they drop

[Eazy-E]

Now everythings good in my hood  
And it's on and pop and Eazy-Muthaphukkin-E  
From East Side South Compton  
Str8 givin' up the real  
On how a nigga feel talk that shit  
Muthaphukkaz caps get peeled  
Layin' low in the cut  
Gettin how than a muthaphuka nigga knows what's up  
I'm that gangsta, gangsta is that what there still yellin'  
Nigga G to a T saggin' and bailin'

Live by the gun you know what I'm sayin' Ren  
"Yea"  
So I guess I'll die by that muthaphukka then  
So when I die niggaz bury me  
Make sure my shit reads Eazy-Muthaphukkin-E  
And it's a fact to be exact my tombstone should read:  
He Put Compton On That Map  
And that's how a nigga feel  
When I'm givin' up Tha Muthaphukkin Real

[Chorus]  
Tha Muthaphukkin Real  
Shouts going out to the hardcore hip-hop  
Tha Muthaphukkin Real  
Buckin' these niggaz till they drop  
Tha Muthaphukkin Real

[M.C. Ren]  
Niggaz be pissin' on they self  
When the real niggaz drop  
While they rollin' in they shit  
Hittin' corners on the block  
Niggaz fresh out the Pen with 2 strikes  
Be bumpin' this real shit every phukkin night  
It's alright niggaz  
It's 2 hard muthphukkaz on tha streetz  
It's the nigga M.C. Ren and the Nigga Eazy

[Eazy-E]  
Does it ya wish the fuck that you could do it  
Got a Nine Millimeter don't make me have to shoot it  
Who gives a fuck about the police  
Cause I'm the main muthphukka that break the peace  
Now let me know how the phuck do you feel  
Gettin' hit wit Tha Muthaphukkin Real

[Chorus]  
Tha Muthaphukkin Real  
Shouts going out to the hardcore hip-hop  
Tha Muthaphukkin Real  
Buckin' these niggaz till they drop [x2]

[Eazy-E]  
Yeah Keepin' it real for the 9-5  
For all you niggaz out there  
That's true to the muthaphukkin game  
N.W.A.'s back in this bitch  
And busta ass niggaz don't even understand it  
Yo yella kick that shit
