[Eazy-E]

Now everythings good in my hood  
And it's on and poppin' Eazy-Muthaphukkin-E  
From East Side South Compton  
Str8 givin' up the real  
On how a nigga feel talk that shit  
Muthaphukkaz caps get peeled  
Layin' low in the cut  
Gettin higher than a muthaphuka niggaz knows what's  
up  
I'm that gangsta, gangsta is that what there still yellin'  
Nigga G to a T saggin' and bailin'  
Live by the gun you know what I'm sayin' Ren  
"Yea"  
So I guess I'll die by that muthaphukka then  
So when I die niggaz bury me  
Make sure my shit reads Eazy-Muthaphukkin-E  
And it's a fact to be exact my tombstone should read:  
He Put Compton On That Map  
And that's how a nigga feel  
When I'm givin' up Tha Muthaphukkin Real

[Chorus]
