Feat. Roc Slanga

[Eazy-E]

1,2,3, and to the 4

Eazy muthafuckin' E

With the chrome to your dome

Cruisin' in my '64 rag top

I got a lot of juice

A lot of fuckin' block  
More bounce to the ounce

Now when I hit that switch I'm bouncin'

And I'm clownin'

Keep the gat in my lap

'cause I'm fully strapped

For the car jackers  
Fuck no hapsters

I pack a Tech-9

Plus a AK-47

Send a one way ticket to my hell  
Or maybe heaven, peep

Nigga I don't sleep

Burry muthafuckas in the concrete

You try creep kinda slow in a Astro

But I peep you niggas out in my left window

So I blast and I blast til I blast no mo

Yo, they call a muthafucka John Doe

[Chorus] x 4

'cause when I hit that switch I'm bouncin'

More bounce to the ounce

And I'm clownin'

[Roc Slanga]

Be a witness to murda

Niggas bustin' out of a '64 Chevy

Straight callin' my city

Niggas be winnin' and gettin' busy

Wit a tizy

Through my city

Chalk lines hang

Niggas bang

Chevy's swang like it ain't no thang

The gangs bang

So nigga tuck your chain

And try to buck this thang

End up gettin' one stuck in you brain

To refrain from this game of stressin'

Smokin' on water

And fin to bang your daughter

All up in the Best Western

She like the way that my '64 hop

Drop the top

Grab a rock

Now she's givin' me top

Non stop on the all row seat

Like the made me screen

So I two-wayed my nigga Eazy-E

[Chorus] x 4

[Eazy-E]

Old nigga E still cruisin'

Punk stay up on the nuts and the bone

Pussy nigga had beef knocked out of his teeth

The muthafucka should have stayed his ass home

Hey yo peep them bitchez in the Honda  
4 deep with the proper ass sounds

Now every time that I meet a fine cute bitch

She got a friend from the fuckin' Dog Pound  
Hey yo bitch

Here's the seven digits

Call me if you can

Only if you want it

Let a nigga know

Can I dig like a minor, 49er  
Diggin' for gold from behind her

Watch this nigga do some diggin'

Pop that pussy on a platter

Watch this nigga do some diggin'

It's so tight it doesn't matter

YO!

[Chorus] x 4

[Hook]

Hit them swithez [hit them swithez]

Hit them swithez [come on nigga]

Hit the swithez [make that shit bounce man]

Make it bounce [make it bounce homie]

Hit them swithez [man come on homie]

Hit them swithez [make that shit bounce homie]

Hit the swithez [three wheel motion]

Make it bounce [say what]

[Chorus] x 8

[Roc Slanga]

That's right nigga

We back

That real gangsta shit  
From on of the realest niggas in this game

You know his name nigga

[laughs]
