Inside the minds of real g's
Death row is looked upon as the studio gansters of the
90's
A joke hahahaha in a gamecalled 5 minutes of fame
you wasted
4 mimutes now you got seconds left kick it

Come one come all and let me ride nigga
Eazy-e cpt how the hell you figure
To be the best on the west hu ya
Fool loked down this is east side nigga
South comton and I put it on the map
So when a dog pound crip you wanna scrap
And that comin straight from the ruthless ganster eazy-
e

Now what would I do haha lets see
Now I would take on sugas locked down the row
Since Dre is a bitch pimp slap the hoe
Now I'm seeing doubles man two dogs in a huddle
Aa god dame now diggidi daze I biggidi blast
On right one and smoke that azz
Now kurupt don't even set trip
Yellin long beach 60 blood and puppy pound
Crip really doe got my nuts on your chin
Whill I'm all in your philly hoe
So come with it fool and test your luck and
I'll beat that azz now call me kurupt
Now I'm kleepin threw the fog ya
Big dogg blue got my nine milla killa
Hunting a dogg named snoop
You can run nigga but you can't hide
Eazy-e straight creepin on the east side 7
Tenlong beach south caught snoop free basin
In a rock house I kicks in da door
I said it befoe I never let no busta test me no more
Bang murder was the case that tey gave me
Murder waz the case that they gave me

I'll smoke all you fools even you boo boo and your baby
Murder was the case that they gave me watch out
