I hope you find sweet Jesus someday.
But for now you're still that same old slut.

(come on baby show him what you got)

Show him EVERYTHING!

I don't want to say what is on my mind.

I COULD REALLY CARE LESS.
I COULD REALLY CARE LESS.

I don't want to say what is so divine.

I COULD REALLY CARE LESS.
I COULD REALLY CARE LESS.

Tell me what I want to hear or I will eat you in a
sandwich.
I am cannibalistic and I don't give a shit.
