I may not always love you But long as there are stars above you You never need to doubt it III make you so sure about it

God only knows what Id be without you

If you should ever leave me
Though life would still go on believe me
The world could show nothing to me
So what good would living do me

God only knows what Id be without you

God only knows what Id be without you

If you should ever leave me Well life would still go on believe me The world could show nothing to me So what good would living do me
