If you could turn back the hands, if you could make the
tape play back
Why would you live again if you could do it over
Tell me whose face you see, tell me whose hand you
hold
Would you find a long lost friend and draw the moment
closer
Would it be a sunset, would it be a first kiss, saw that
land stands
Would it be a regret, whatever you do with the one
more last chance
Refrain:
Take me back to that place in time
What do you see when you close your eyes
When you rewind, rewind, this time I want to know you
What are the moments that brought you here
I want to feel every smile and tears
Show me your heart, your soul, your mind, I want a
rewind
If I could be the blank page for
You could write a story on
I've memorized every word I've heard you say forever
Start at the beginning, tell me your daydreams and
your secrets
Show me what moves you, what would you lose and
what's worth keeping
Repeat Refrain:
Your sunset, first kiss, last dance, regrets, daydreams,
secrets
I'm listening, let's do it all again
Repeat Refrain
Oh Oh Oh Oh I want to know you, I want a rewind
Oh Oh Oh Oh I want to know you, I want a rewind
Every smile, every tear, your heart, your soul, your
mind, your smile,
your face, your soul
You're mine
Oh Oh Oh...
