This is a real life jack in progress. Nigga give up your
shit or take
Two tha chest with tha cripness
'Cause I ain't fucking around G, so take a look at a real
at a real live nigga,
That's Krayzie, and get ready to
Die loc, any last wordz before your ass gets smoked, it
ain't a joke 'cause my
Pockets is broke my friend
That's why I gotta do you in. Give up your endz and
your gold and your
Nikez and anything else I
Might like and then I'm off in the wind again to catch
tha next sucka
Slippn taken two to tha chin.
I'm on a role two niggaz in one night didn't even have
to fight, just
Pulled out my 9 to end anothers
Life. that's real life so forget tha silly shit you heard,
Now Nigga tell
Me do you have any last wordz.

"'cause it's the end of tha world and still niggaz aint
got no satisfaction.
[So I take my 9 put it on my SIX bust a cop in his
head]now I'm blastin]
, 'cause I'm known as a G and I'm coming from
Tha Cpt. And you
Should know bitch ass niggaz running back can't fuck
with Eazy"

"Wet'em up" [several times]

Another murder I comitted made front page a nigga
dead from a drive by
Did with a 12 gauge. The
First stage of insanity people say it aint wise to get
faded off the
ST.Ides. A mother cries, another
Son lies in a casket, life was fun while it lasted. Tha silly
bastard had
To get caught, tripn and set

Tripn, you should of seen that niggaz blood
dripping. To many lives took
To many hearts broke, but
You don't hear me so you see my fuckn gun smoke.
Some ask why do I take
So many lives from the
Innocent little ones. But where I come from we take shit
real, you peel
Caps so you gotta get your
Cap peeled. Grab your steel forget about what you
heard, it's Do or Die
Nigga, any last wordz?

"'cause it's the end of tha world and still niggaz aint
got no satisfaction.
[So I take my 9 put it on my SIX bust a cop in his
head]now I'm blastin]
, 'cause I'm known as a G and I'm coming from
Tha Cpt. And you
Should know bitch ass niggaz running back can't fuck
with Eazy"

"Wet'em up" [several times]

I got tha 9 and I'm fixing to str8 creep, feel I need to
take another life
So I peep. Checking the
Scene, but staying low so I'm not seen case I gotta get
away gotta make
Tha shit clean G. So I'm
Looking for a victim. Gotta be right, took my time and I
picked him, Scoped
Shit then I licked'em now
I'm back in the news, no clues, but yet another murder.
You should of heard
The nigga squill when I
Stuck his ass, I had to grin 'cause it's funny nigga fuck
his ass. He aint
Tha last and surely aint tha first
G, but his monkey ass rolled away in a hurst G. So I'm
feeling some what
Relieved, just another day
In tha life of tha E-Z. A real G so forget tha silly shit you
heard, it's
Do or die Eazy-E gets that last word.

"'cause it's the end of tha world and still niggaz aint
got no satisfaction.
[So I take my 9 put it on my SIX bust a cop in his
head]now I'm blastin]
, 'cause I'm known as a G and I'm coming from

Tha Cpt. And you
Should know bitch ass niggaz running back can't fuck
with Eazy"
