Jackin' tha freaks clocking tha dough  
Went to tha park tah get the scoop  
Knuckleheads out there come shootin' some hoop  
A car pulls up who can it be  
A fresh el camino rollin' kilo g  
He rolled down his window and he started to say  
It's all about makin' that gta

Chorus:

'Cuz tha boyz in tha hood are always hard  
Ya come talkin' that trash we'll pull ya cord  
Knowin' nuthin' in life but tah be legit  
Don't quote me boy 'cuz I ain't said shit

He said my man jd is on free-base  
Tha boy jd was a friend of mine  
'Til I caught him in my car trying tah steal a alpine  
I chase him up tha street tah call a truce  
Tha silly cluckhead pulls out a deuce deuce  
Little did he know I had a loaded 12 gauge

Verse three:

Bored as fuck and I wanna get l'll  
So I went to a place where my homeboyz chill  
Niggaz out there makin' that dolla'  
I pulled up in my '64 impala  
They greet me wit a 40 and I start drinkin'  
And from tha 8-ball my breath start stinkin'  
Enough tah get my girl tah rock that body  
Before I left I hit tha bacardi  
I went to her house tah get her out of the pad  
Dumb hoe said something that made me mad  
She said something that I couldn't believe  
So I grabbed tha stupid bitch by her nappy-ass weave  
She started talkin' shit what did ya know  
Reached back like a pimp slapped tha hoe  
Her father jumped up and he started tah shout  
So I bombed on pops knocked his old ass out

-chorus-

(And if a brotha talks shit I give him a,  
And if a brotha talks shit I give him a,  
And if a brotha talks shit I give him a)

Verse four:

Now I'm rollin' hard now under control  
Them wrapped tha '64 around a telephone pole  
I looked at my car and I said, "oh brother!"  
Thrown in the gutter and go buy another  
Walkin' home and I see tha g-ride  
Now kat is drivin' kilo on tha side  
As they busted a u they got pulled over  
A undercover cop in a dark green nova  
Now kat got beat for resisting arrest  
He socked tha pig in tha head for rippin' his guess  
No
