Here's the latest from the king of badness  
I got the shit that makes niggaz wanna flip  
G'd up all better wit beanies  
Sweatin' all the bitches to blow are weanies

Niggaz all getting drunk and smoking a bum bud  
Oh wait, here's a punk, pump the trunk  
'Cuz it's a gang of jackers in the front smoking  
All the hump, some shit was said about blue and red

But I'm color blind and I gotta nine  
Threw up the sign I cock the 9, I cock the 9

Well nigga, pop the 9 and let it holla  
Test drive wit a neighborhood's scholar  
Black Impaler, blue chucks on gettin' outta  
Sucks on hip hop thugsta, get the fuck on

Niggaz looking shifty, do they wanna diss me?  
Lick me, show me love or peel my cap quickly  
My six sense won't let me slip, don't puff wit the  
draggin' 'em  
I'm still toe taggin' 'em, hit the spot wit a don still  
baggin' 'em

It's the low call, S.A.B on the vocal  
Blast my way out Eazy pay  
The way all you bitch niggaz stay out

I cock the 9, I cock the 9, I cock the 9 and everything is  
fine  
I cock the 9, I cock the 9, I cock the 9, my homey pop  
the 9  
I cock the 9, I cock the 9, I cock the 9  
I cock the 9, I cock the 9, I cock the 9, my homey pop  
the 9

I cock the 9, I cock the 9, I cock the 9 and everything is  
fine  
I cock the 9, I cock the 9, I cock the 9, my homey pop  
the 9  
I cock the 9, I cock the 9, I cock the 9

I cock the 9, I cock the 9, I cock the 9, my homey pop  
the 9

It's like dice game, dice game niggaz get they roll on  
Everything's all good till niggaz getting sold on  
Here we all get together and shoot, fuck  
I grab my gun then I picked up my loot

But I didn't lose shit so it's all good  
Leavin' pumpin' Eazy-E 'Boyz 'n the Hood'  
'Cuz I'm a gangsta so I can relate most of these  
Niggaz is fake and tryin' to hate

I put a buster in his place, I put one in his face  
Obey my first and give him the taste  
That's how I duz it, that's how I do it  
And the murder weapon that I use you know I threw it

He kept persuading so I had to do it  
Play for keeps that's the rule of the streets

Dick Tracy all on my nutz like Cagny and Lacy  
And don't faze me, Ruthless is the label that pays me  
But this one H.K weighs a ton, words are yellow wit  
The [unverified] freaks on a run, bring ya condom in  
the kingdom

From the ceilin' to the floor, info red at ya window  
Plus the E go hangin' out the beamer tho  
Drop shit like a seagull for the people  
Ho's make a contribution but y'all don't hear me tho

I cock the 9, I cock the 9, I cock the 9 and everything is  
fine  
I cock the 9, I cock the 9, I cock the 9, my homey pop  
the 9  
I cock the 9, I cock the 9, I cock the 9  
I cock the 9, I cock the 9, I cock the 9, my homey pop  
the 9

I cock the 9, I cock the 9, I cock the 9 and everything is  
fine  
I cock the 9, I cock the 9, I cock the 9, my homey pop  
the 9  
I cock the 9, I cock the 9, I cock the 9  
I cock the 9, I cock the 9, I cock the 9, my homey pop  
the 9

Tuck ya legs to my dick with the wrap 'em real tight  
Just incase it's on and a nigga gotta fight  
And a nigga gotta bust but who in the fuck said in God

we trust  
The shit wen't down everybody start runnin'

Bitches screamin' and the bullets still comin'  
Run into a nigga tryin to save mine  
Reach for my gun, shit

I cock the 9, I cock the 9, I cock the 9 and everything is  
fine  
I cock the 9, I cock the 9, I cock the 9, my homey pop  
the 9  
I cock the 9, I cock the 9, I cock the 9  
I cock the 9, I cock the 9, I cock the 9, my homey pop  
the 9

fine  
I cock the 9, I cock the 9, I cock the 9, my homey pop  
the 9  
I cock the 9, I cock the 9, I cock the 9  
I cock the 9, I cock the 9, I cock the 9, my homey pop  
the 9

I cock the 9, I cock the 9, I cock the 9 and everything is  
fine  
I cock the 9, I cock the 9, I cock the 9, my homey pop

the 9  
I cock the 9, I cock the 9, I cock the 9  
I cock the 9, I cock the 9, I cock the 9, my homey pop
