I still express, yo, I don't smoke weed or sess  
Bitch

Ah, greetings earthlings, and welcome to the  
motherfuckin'  
Wonderful, wonderful, motherfuckin' world  
Of gettin' higher than a motherfucker  
Ohh me? I'm funk on your mind  
Alias to you motherfucker's roach clip  
And this here's my Kimosabe dumpin' shit on yo' ass  
And my nigga goes by the name of BG Ashtray  
And we 365, that means we fucked up all the way  
around  
And our motto is

Gettin' higher than a motherfucker  
Down to tha last roach

Creep'n through this cloud of smoke  
With a little bit of funk to make ya choke in  
Gangstas come feel good inside  
As we take you for a ride to another dimension  
Deep from a 4-0 O-Z  
Two crooked ass niggaz on a cosmic journey  
Straight from the planet G  
Where the real niggaz dwell in the realms of Ruthless

Took a puff of the indo spliff  
High like a bird as I creep to the bud spot  
Break me off a proper piece so I can get fucked  
With my nigga roach clip, BG Ashtray, dump that ash  
tray  
Ruthless family, high as can be  
Smoke that [unverified] psychedelically insane  
And gettin' higher than a motherfucker

Gettin' higher than a motherfucker  
Down to tha last roach

As I step through the smoke  
Deep from a land broke, niggaz don't come to  
Straight to Indonesia

Chronic fever step off punk, we don't need ya  
Blaze a blunt to the boogie  
And come take a ride on a journey with a real G  
Life is easily explained on the level  
Of smokin' bud with the motherfuckin' Devil in my  
imagination

Sup with these thoughts what a fly creation  
Indo smoke from the land of G'z  
Letting them know they can't handle these  
Niggaz, straight from the planet Dime  
I have come to put funk on your mind  
Eazy-E better known as Mr. Roach Clip  
So pass the bud 'cuz we still gettin' higher than a  
motherfucker

Gettin' higher than a motherfucker  
Down to tha last roach

Now I'm real fucked up, yes, high as hell  
Ring, ding, ding, do I hear some bells or am I just  
trippin'  
Thinkin' about that 4 that I'm dippin'  
Front, back, side to side on corners that's how a nigga  
gotta ride  
Dip to the, dip to the back, bumpin' Eazy-E on 8 track

So blaze up a another skunky, funky, dookie, doobie  
So we can get loogied, up some more, up, up it go  
What's my name? Eazy-E, yo  
The motherfuckin' bud smokin' loc'n  
When I'm high as a kite causing ruckus, yeah  
Gettin' higher than a motherfucker

Gettin' higher than a motherfucker  
Down to tha last roach
