Big titie, shitty, bang, bang, sittin' on a dick  
Tryin' to play a pimp by the fifteen clicks  
Hoes play with me weekly  
So I'm down wit hoe, play with my pee pee

Eazy muthaphukkin' access  
Saggy, baggy ass pants for a happy ass bitch  
Ho, ho, ho to the ho and the cloe  
Ski to the E or a piss in the snow

I take a hoe from the show to the mo' to the flow  
To the inches where mo', now the hoe is gotta go  
Pussy just as hairy as a panda, pink and peppy panther  
Panty expander, tricks lick long while I lap long hard  
and fast

While I'm dippin' hunnies ass  
Throwin' harder with Barbara  
Seein' sexy with Betsy, gettin' ready for Betty  
I hit the hooker heavy

I hit the hooker heavy  
Ready to, ready to, ready to, ready to

Use a finger to when them real niggas comes to  
spread 'em  
Hittin' other peoples bitches so I'm comin' to ya weddin'  
Head and the bill in the dark, I begin with my dick  
So you can say I have a head start

Comin' from the south of the border 'cause I'm shorter  
Than ya thought, I was wife, whore, daughter in the  
order  
Fuck all that one man, one bitch shit  
One condom, one dick

Switch to another after gun with a rubber  
You can lick me like a lover, wipe your mouth on the  
cover  
I never dilly dally pimpin' Susan and Sally  
Now you can find the couchie from Miami to Cali

Throwin' harder with Barbara  
Seein' sexy with Betsy, gettin' ready for Betty  
I hit the hooker heavy

I hit the hooker heavy  
Ready to, ready to, ready to, ready to

Bitches comin' with it for double mint  
Lookin' for ya homies  
'Cause the hoes know me like they owe me  
I got a strip, I hit when I'm lonely

Hit a bitch wit a whip and she run like Toby  
So never count on me, fool, when in the true skool  
Wit truce sluts lookin' for a crew screw  
I flip and I flow when they go kinda low

Hoe better have my dough, so suck silly  
Hookers could stay or ya don't touch nuts  
Really hook a good day  
Adios, disappear like a smoke

You're rejected by a dick that's erect, bitch  
Sometimes I think I'm losin' it, a lunatic  
With a lot of automatic shit with clips  
It ain't no thang to me, it's the same ole slang to me

I roll with a long size gang with me  
Throwin' harder with Barbara  
Seein' sexy with Betsy, gettin' ready for Betty  
I hit the hooker heavy

I hit the hooker heavy  
Ready to, ready to, ready to, ready to  
Ready to, ready to, ready to, ready to
