"I'd Rather F* You"**

Visit "[I'd Rather F*** You](#)" on [MotoLyrics.com](#)

This is one of them songs
You can kick back and smoke a joint to
And get real fucked up
I like to dedicate this one
To all the lovely young ladies out there
Oh me? I'm Eazy E, alias a hoe tamin' motherfucker
And I want all you ladies to know somethin'

I'd rather fuck with you all goddamn night
'Cause your pussy's good
Now I'm fuckin' all your friends
'Cause you ran your mouth like, I knew you would
You were braggin' to your friends
Sayin', "Eazy E knows how to fuck"
So bring your ass in here and give me some
So I can bust a nut

I'd rather fuck you, yeah, yeah
(Said, "I'd rather fuck with you")
I'd rather fuck you, yeah, yeah, yeah
(Said, "I'd rather fuck with you")

I'd rather fuck with you
'Cause I like the way you scream my name
I know you like this dick
'Cause you enjoy the pleasure and pain
Now I'm ridin' on this pussy here
And I'm not gonna stop
We can do it doggy style
And you can get on top

I'd rather fuck you, yeah, yeah
(Said, "I'd rather fuck with you")
I'd rather fuck you, yeah, yeah yeah
(Said, "I'd rather fuck with you")

Whoo boy, I'd rather fuck with you, yeah, yeah
I need you baby, whoo, I'd rather fuck you
I'd rather fuck with you

I'd rather fuck with you
'Cause the other bitches wanna wine and dine

I better hurry up and get this nut
'Cause it's check out time
She said, "She wanted me to eat the pussy"
Well I think I'll pass
So get your ass up you funky bitch
And wash your ass

I'd rather fuck you, yeah, yeah
(Said, "I'd rather fuck with you")
I'd rather fuck you, yeah
(Said, "I'd rather fuck with you")

I'd rather fuck you, yeah
(Said, "I'd rather fuck with you")
I'd rather fuck you, yeah
(Said, "I'd rather fuck with you")

I'd rather fuck you, yeah
I'd rather fuck you, yeah, yeah
