Aah, this is one of them songs  
You can kick back and smoke a joint to  
And get real fucked up, I like to dedicate this one  
To all the lovely young ladies out there  
Oh me, I'm Eazy E, alias a hoe taming motherfucker  
And I want all you ladies to know something

I'd rather fuck with you all goddamn night  
'Cause your pussy's good  
Now I'm fucking all your friends  
'Cause you ran your mouth like I knew you would

You were bragging to your friends  
Saying Eazy-E knows how to fuck  
So bring your ass in here and give me some  
So I can bust a nut

I'd rather fuck you, yeah  
(Said I'd rather fuck you)  
I'd rather fuck you, yeah  
(Said I'd rather fuck you)

I'd rather fuck with you  
'Cause I like the way you scream my name  
I know you like this dick  
'Cause you enjoy the pleasure and pain

Now I'm riding on this pussy here  
And I'm gonna stop  
We can do it doggy-style  
And you can get on top

I'd rather fuck you, yeah  
(Said I'd rather fuck you)  
I'd rather fuck you, yeah  
(Said I'd rather fuck you)

Whoo boy, I'd rather fuck you, yeah  
I need you baby, whoo, I'd rather fuck you  
I'd rather fuck with you

I'd rather fuck with you

'Cause the other bitches wanna wine and dine  
I better hurry up and bust a nut  
'Cause it's check out time

She said she wanted me to eat the pussy  
Well I think I'll pass  
So get your ass up you funky bitch  
And wash your ass

I'd rather fuck you, yeah  
(Said I'd rather fuck you)  
I'd rather fuck you, yeah  
(Said I'd rather fuck you)
