[M.C. Ren]

Well it be the real niggaz back
With that hard street shit
Bitch niggaz be pissin a fit
But I say fuck 'em, when I buck 'em
Its that nigga with the cool and mellow shit
For your ass takin' niggaz back through the past
All up on my nutz shit be swingin' like a fist
Can't even take a piss
If I did niggaz would cut they wrist
In a muthaphukkin candy 4
Beat that ass with the switch
Then blast on the bitch
Who was all in my shit
Its that nigga Ren back for the 9-5
They say real niggaz was dead
But this nigga be alive
So I'm puttin' it down wit that nigga E uh-huh
For all of my niggaz in the C-P-T
So here we go again with part 3 of the script
Makin bitch made niggaz bite they lip, when we dip
So tell me how the phuck do it feel
Tah get hit wit Tha Muthaphukkin Real

[Chorus]

Tha Muthaphukkin Real
Shouts going out to the hardcore hip-hop
Tha Muthaphukkin Real
Buckin' these niggaz till they drop

[Eazy-E]

Now everythings good in my hood
And its on and pop and Eazy-Muthaphukkin-E
From East Side South Compton
Str8 givin' up the real
On how a nigga feel talk that shit
Muthaphukkaz caps get peeled
Layin' low in the cut
Gettin how than a muthaphuka nigga knows whats up
I'm that gangsta, gangsta is that what there still yellin'
Nigga G to a T saggin' and bailin'
Live by the gun you know what I'm sayin' Ren

"Yea"

So I guess I'll die by that muthaphukka then
So when I die niggaz bury me
Make sure my shit reads Eazy-Muthaphukkin-E
And it's a fact to be exact my tombstone should read:

He Put Compton On That Map
And thats how a nigga feel
When I'm givin' up Tha Muthaphukkin Real

[Chorus]

Tha Muthaphukkin Real
Shouts going out to the hardcore hip-hop
Tha Muthaphukkin Real
Buckin' these niggaz till they drop
Tha Muthaphukkin Real

[M.C. Ren]

Niggaz be pissin' on they self
When the real niggaz drop
While they rollin' in they shit
Hittin' corners on the block
Niggaz fresh out the Pen with 2 strikes
Be bumpin' this real shit every phukkin night
It's alright niggaz
It's 2 hard muthphukkaz on tha streetz
It's the nigga M.C. Ren and the Nigga Eazy

[Eazy-E]

Does it ya wish the fuck that you could do it
Got a Nine Millimeter don't make me have to shoot it
Who gives a fuck about the police
Cause I'm the main muthphukka that break the peace
Now let me know how the phuck do you feel
Gettin' hit wit Tha Muthaphukkin Real

[Chorus]

Tha Muthaphukkin Real
Shouts going out to the hardcore hip-hop
Tha Muthaphukkin Real
Buckin' these niggaz till they drop [x2]

[Eazy-E]
