*[Eazy-E]*

First up high on a roof top  
Like a bird I'm havin' evil thoughts  
A black hood covers my face  
And death flows through my mind at it's own pace  
Sometimes I feel like a super hero  
Urgin' to free my kind  
I'm so accurate  
I shoot ya heart with a dime  
Now I'm back to the moral of my tale  
I see a victim, and then my thoughts fail  
My minds still fumblin' with the present slavery  
I'm here to save you but who's to save me  
I hold my strap so long that my palms all wet  
I put finger on the fit and then the side a check  
I make the kill here's the deal  
After the trigger's pulled then the death is sealed  
So it's the shots that sing out like a piper  
Everyones scared I'm the neighborhood sniper

*[Chorus]*

*[Eazy-E]*

So my boy is a snitch  
I put my gun up to his head  
And simply scared the bitch boo  
Being the E ya know I'm thinkin' devious thoughts  
Take off ya clothes nigga and here comes a plot  
His bitch was scared she made a move I pulled the  
trigger

Now the rumors rare  
Now there's nothing left but a snitch  
Here's a four leaf clover punk make a wish  
One *[Shot]* two *[Shot]* three strikes your out  
This nigga is dead and now I'm lookin' for a window  
I made my escape the cops chase  
Duckin' to an alley so they don't recognize my face  
The boy had to pay the piper  
So they all stayin' fair of a neighborhood sniper

*[Chorus]*

*[Eazy-E]*

I'm Doin' dirt as I continue my mission  
Killin' all fools as an addiction  
As a E lovin' the game leavin a shame  
And in my heart I feel no muthafuckin' pain  
Because my heart is cold as I was told  
And my A.K.47 I stand bold  
Rippin' up shit with the fury of my gun shot  
Pop pop pow as I watch the muthafucka drop  
Lovin' the site as the blood spill  
Take a photograph, to keep in my hard as I was sayin'  
calm  
And never hyper as I succeed in my mission  
I be a neighborhood sniper

*[Chorus]*
