One and in comes the two to the muthaphukkin'
Three then comes the Eazy
To the other fuckin' E playin' niggaz life like a puppet
And can't dance but could touch it so fuck it rappers

Want to dis I'm glad to see 'em
'Cause I rip your fuckin' face outta a magazine O.G.
Gangsta lean now after I shit
Your face wipes that ass clean

Now time to get tipsy and don't want a bitch
If she can't rub the balls like a gypsy, who's all in?
Since you put yourself on my dick
I put my nutz on ya chin

Muthaphukk whatcha heard I'm more than that a real
nigga
From the hood and I'm all that thick as a hicky a picky
Nigga fittin' dickies with bitches
Strictly dickly many sets I rolled on

And killed squeals that told on my homies
They sold on don't ask Eazy shit it's still
A hit iz a hit and a bitch iz a bitch hangin' on my nutz
Like a hair strand hangin' there with n'ear heart

And n'ear plan ass out like a asshole
Runnin' to my dick
With a rhyme and a lasso again and again
From beginning to end it's your nutz on my chin

You couldn't beat a minute of my ass
If I gave you sixty seconds tick
Tock shit starts I start a steppin' E to the muthaphukkin'
A
To the muthaphukkin' Z here's the Y here's the E here
to stay after you

When I'm through check
Me and Rodney King fuck tha police part 2
Now back to my friends nutz to ya nose to ya lips to ya
chin

Real niggaz love us hussies never fuck us the roughest
ruckas

Fingers couldn't touch us Eazy E's back again fuck
waitin'
For a payday get an A.K. everyday is a blast
Yeah blast a nigga fast knock
His ass get all the cash, who's all in?
Since you put yourself on my dick, I put my nutz on ya
chin

"N.W.A. niggaz with attitudes, we're underground
reporters we tell about
You know, the streets and everything that goes on
You know, around in Compton our area
What's going around around us, we don't know what
the fuck's going

Around, around by you, but frankly we don't give a
fuck, you know
Most kids in Compton don't give a fuck
Who the Mayor or the President is you know they're
Not even interested in votin'
And the police, you know what I'm sayin'? I say fuck 'em
