Strictly dick-ly many sets I rolled on

Runnin' to my dick with a rhyme and
A lasso again and again from beginning to end

chin
Nutz on ya chin

N.W.A. niggaz with attitudes
We're underground reporters we tell about
You know, the streets and everything that goes on
You know, around in Compton
Our area, what's going around around us
We don't know what the fuck's going

Around around by you but frankly we don't give a fuck

You know most kids
In Compton don't give a fuck
Who the Mayor or the President is you know they're
Not even interested in votin'
And the police, you know what I'm sayin'? I say, fuck
'em
