One and in comes the two to the muthaphukkin three

To the other fuckin E playin niggaz life like a puppet

Could touch it so fuck it rappers want to dis I'm glad to
see 'em cause I
Rip your fuckin face outta a magazine O.G. gangsta

Your face wipes that ass clean now time to get tipsy
and don't want a bitch
If she can't rub the balls like a gypsy. Who's all in?
Since you put yourself
On my dick I put my nutz on ya chin...

Muthaphukk whatcha heard I'm more than that a real
nigga from the hood
And I'm all that thick as a hicky a picky nigga fittin
dickies with bitches
Strictly dick-ly many sets I rolled on and killed squeals
that told on my
Homies they sold on don't ask Eazy shit it's still a hit iz
a hit and a bitch
Iz a bitch hangin on my nutz like a hair strand hangin
there with n'ear heart
And n'ear plan ass out like a asshole runnin to my dick
with a rhyme and
A lasso again and again from beginning to end it's
your nutz on my
Chin...

You couldn't beat a minute of my ass if I gave you sixty
seconds tick
Tock shit starts I start a steppin E to the muthaphukkin

"N.W.A. Niggaz With Attitudes, we're underground
reporters we tell about,
You know, the streets and everything that goes on, you
know, around in Compton,
Our area, what's going around around us, we don't
know what the fuck's going
Around around by YOU, but frankly we don't give a
fuck, you know. Most kids
In Compton don't give a fuck who the mayor or the
president is you know they're
Not even interested in votin'. And the police, you know
what I'm sayin?
I say FUCK 'EM."
