Chorus: X2

The saga continues right before your eyes
The saga continues cause its do or die
The saga continues right before your eyes
You know why? (why?)
Cause I'm ruthless for life

Nigga ten years passed and we still up in that ass
Will I make it or continue and
Look at all the s**t you in
Eazy does it like happy like the s**t we used to do
5 niggaz comin' out the C-P-T so f**k you
Time changed for the good
Niggaz in the hood be comin' up feel it
Can you set it off, for again, you know you should
Yo let's that this s**t back
To 1989
Where this nigga shoot and bust and niggaz know they
couldn't find
Dream Team lovers
Egyptian fan base
Feelin' on the scene, all the fools got erased
Threw a mothaf**kin' monkey wrench up in the rap
game
Since I hooked up with E, s**t ain't ever been the same
Opened up doors for the niggaz that be thinkin'
that your flows be on tizight
Bitin' what I wrizite
Jokin' when I recite
Feelin' manuscripts
When I MC, if it ain't rough it ain't me

Chorus X2

Yo mothaf**kin' G'z, nigga like Eric Wright
You can floss for your b**h, but you know this s**t is
tight
Cause when y'all niggaz started rappin', who'd you try
and be?
I'ma slap you cause you lying, if you don't be sayin' me
Or the other 3, that the FBI be phone tappin'
Shoot the government before you niggaz started

rappin'
Now its ? city, I gotta bomb it like Iraq
Use my alias, spend my nights at the shack
Ruthless attack all the way to two thou
Try to block it out, but you never knew how
And when I walk through the crowd
I'm seeing mothaf**ka's bread
I hear their b***hes sayin' ask MC Ren
Makin' fools sway when I roll to King Tet's
Because I started cussin' all you fools gettin' checks
Ruthless for life, see that be my state of mind
Y'all can kiss my black ass one more time

Chorus X2

I run a hundred miles just so I can MC
Villian want that bomb so I get with L.T.
Ain't nothin' changed
We find 'em, f**k 'em, then flee
While you hatin', pillow talkin', with that b***h, she want
me
Niggaz weed crazy, Dre and Snoop turned you out
Now y'all cristal sippin', y'all niggaz be trippin'
Make the West look like ass, all full of s**t
Invest in drug money, s**t, still gettin' in
What it take for y'all quit
Ruthless got it on lock
Y'all shootin' videos tryin' to look like Pac
Here we come, here we come, blowin' up your spot
My little brother Jubee and the big homie Rock
Full circle, all this s**t gon' repeat
When this s**t drop, niggaz clownin' in the streets
The saga continues right before your eyes
Who really gives a f**k?
Cause this is ruthless for life

Chorus till end
