Hi, Claude again
You remember I told you about my cousin when I was
15
Well, the year after that, I killed this kid, Louie
Bashed his head in with my Louieville slugger
I got away with it, but erm, I wanna apologize to Louie
I'm sorry, Louie

Bashed his head in with my Louieville slugger
Bashed his head in with my Louieville slugger
Bashed his head in with my Louieville slugger
Bashed his head in with my Louieville slugger
Bashed his head in with my Louieville slugger

I knew this muthafukka named Louie
Every day the nigga talk shit but today he tried to do
me
He rolled down my block with a pistol and a stare
A black khaki suit and dooky brades in his hair

The muthafukka think I'm slippin'
But I got my gat and a bat and a 40 and I'm sippin'
Waitin' for the fool to get out the car
The stupid muthafukka thinks I'm a star

But I'm not, I'm the type that kick the niggaz ass
Fast, Eazy-E's a nigga that'll blast
Hold up, wait, the nigga started to load his gat
I grabbed my bat and ran around the back yo

He's at my window, thinkin' I'm playin' Nintendo
But the stupid nigga don't know I'm behind him so
He dropped the gat like a stupid muthafukka
So I bashed his head in with my Louieville slugger

Bashed his head in with my Louieville slugger
Bashed his head in with my Louieville slugger
Bashed his head in with my Louieville slugger
Bashed his head in with my Louieville slugger

I knew this bitch named Peaches
She often want me to fuck her trampy ass on the

beaches

But Busta said, "Yo Peaches be fuckin' around with me
Instead o' fuckin' her man"

She's butt-naked with my dick in her hand, yo
As soon as Peaches starts suckin', I saw this
muthafukkin' nigga
Behind my car and he was duckin'
So I told the bitch to hold on
(Hold on)

You stupid bitch, put yo muthafukkin' clothes on
I wonder if this nigga's tryin' ta jack me
'Cuz I ain't got my gat with me, shit
The nigga started runnin' up fast

I thought he was gonna blast, so I hid behind her ass
She started howlin' out "Wait", I banked her in the face
But the punk nigga pulled out
[Unverified]
He asked the stupid bitch, "Did I mug her?"
So I bashed his head in with my Louieville slugger

Bashed his head in with my Louieville slugger
Bashed his head in with my Louieville slugger
Bashed his head in with my Louieville slugger
Bashed his head in with my Louieville slugger

I'm a muthafukkin' psycho and I don't give a fuck about
'em
I kill the nigga and cut off his dick, so you know I got
'em
Cut his vein, ate his brain, left the nigga for dead
Now it's a gallon of blood drippin' from under his bed
(Oh, no, what happened to my lover?)

Bitch, I bashed his head in with my Louieville slugger
Bitch tried to call the cops, fuck that
I gotta take the girl out with my muthafukkin' bat
'Cuz I ain't doin' 10 in the pen
For a bitch and her dead-ass boyfriend

So I gotta kill the ho, I'm reachin' for my weapon slow
That's when I notice some nigga standin' by the door
The little nigga sayin', "Don't kill my mother", so
I bashed his head in with my Louieville slugger

Bashed his head in with my Louieville slugger
Bashed his head in with my Louieville slugger
Bashed his head in with my Louieville slugger
Bashed his head in with my Louieville slugger

Sorry Jimmy
He's dead
I'm sorry, Billy
