Well, it be the real niggaz back
With that hard street shit
Bitch, niggaz be pissin', a fit
But I say fuck 'em, when I buck 'em

It's that nigga with the cool and mellow shit
For your ass takin' niggaz back through the past
All up on my nutz shit be swingin' like a fist
Can't even take a piss

If I did niggaz would cut they wrist
In a muthaph***in' candy 4
Beat that ass with the switch
Then blast on the bitch

Who was all in my shit
It's that nigga Ren back for the 9-5
They say real niggaz was dead
But this nigga be alive
So I'm puttin' it down wit' that nigga E

For all of my niggaz in the C-P-T
So here we go again with part three of the script
Makin' bitch made niggaz bite they lip, when we dip
So tell me how the phuck do it feel
Tah get hit wit' tha muthaph***in' real

Tha muthaph***in' real
Shout's going out to the hardcore hip-hop
Tha muthaph***n' real
Buckin' these niggaz till they drop

Now everything's good in my hood
And it's on and pop and Eazy muthaph***in' E
From East Side, South Compton
Straight givin' up the real

On how a nigga feel talk that shit
Muthaph***az caps get peeled
Layin' low in the cut
Gettin' how than a muthaph***a niggaz knows what's
up

I'm that gangsta, gangsta is that what there still yellin'
Nigga G to a T saggin' and bailin'
Live by the gun you know what I'm sayin' Ren, yeah

So I guess I'll die by that muthaph***a then
So when I die niggaz bury me
Make sure my shit reads Eazy muthaph***in' E
And it's a fact to be exact my tombstone should read
He put Compton on that map and that's how a nigga
feel
When I'm givin' up tha muthaphukkin' real

Tha muthaph***n' real
Shout's going out to the hardcore hip-hop
Tha muthaph***n' real
Buckin' these niggaz till they drop
Tha muthaph***n' real

Niggaz be pissin' on they self
When the real niggaz drop
While they rollin' in they shit
Hittin' corners on the block

Niggaz fresh out the Pen with 2 strikes
Be bumpin' this real shit every phukkin' night
It's alright, niggaz, it's two hard muthph***az on tha
streetz
It's the nigga M.C. Ren and the nigga Eazy

Does it ya wish the fuck that you could do it
Got a nine millimeter don't make me have to shoot it
Who gives a fuck about the police
'Cause I'm the main muthaph***a that break the peace
Now let me know how the phuck do you feel
Gettin' hit wit' tha muthaph***in' real

Tha muthaph***in' real
Shout's going out to the hardcore hip-hop
Tha muthaph***n' real
Buckin' these niggaz till they drop

Tha muthaph***in' real
Shout's going out to the hardcore hip-hop
Tha muthaph***n' real
Buckin' these niggaz till they drop

Yeah, keepin' it real for the 9-5
For all you niggaz out there
That's true to the muthaph***in' game
N.W.A.'s back in this bitch

And busta ass niggaz don't even understand it
Yo yella kick that shit
