Yes Im too smart to get fucked...or so the case may be  
that's how the ho felt when she found at that she  
couldnt play me  
I know the game and I know it rather swell too  
Rubbin up on my dick and givin me hints that your  
interested  
thinking first you'll kiss my lips and rub my hips, then  
he'll take a sip  
of henesey hit the buddha, pass out and i'll take his  
shit  
HELL NAW monkey mouth trick, ya stupid ho  
you must be a fool if you thinking that i dunno  
But nah you broke ass hoes wanna come up, shaking  
that money maker  
but i break her 'cause the bitch is a faker  
Or maybe she just dont know the formula  
of how to get rich quick  
without making happy dicks  
That's all the bitch know is...  
how to be a mega ho  
i guess that just goes to show  
that's she too ignorant to know  
that i wont be played...or gay or dapper, but I aint  
perfect  
I whip the dick out now and then and let em slurp it  
but im careful, bein aware of the bitches  
thats torchin niggas on purpose 'cause they think they  
deserve it  
yea thats some cold shit, my experience oughta learn  
ya  
that if a nigga aint tryina smoke you a bitch tryina burn  
ya  
So trust no

\*Chorus\*

Trust no... bitch (?funky cut? bitches)

Trust no... bitch (?funky cut? ho)

x2

(AMG)

I refuse to lose so I chose few and trust none

To my women I love, but to you bitches I aint the one

When i tell you to trust no bitch, It might not occur to  
you  
females aint the only bitches that Im refering to  
See you can help a bitch  
let alone treat swell a bitch  
'cause the bitch sold out...gon sell out...or the bitch gon  
snitch  
Bitches wanna be and gonna always be around  
Watchin what ya doin tryina use ya and keep ya down  
bore ya with a story ya got ya own  
Imma strengthn your conviction to give that dog a bone  
And move on...for the motherfucker fakin you... fuck  
you  
and make you take their punk bitch ass to the bank foo  
see bitches get paid. these bitches got charms  
I see em at the mall, on tv and on my homies arms  
Just some of homies got bitches but we breaking  
bitches  
so i come like dis bitch "act like you know me

\*Chorus\*

Eazy E the muthafuckin manipulator when it comes to  
pussy, hoes  
just watch how my dick grows  
but since all hoes fall in the bitch category,  
trustin no hooker ass bitch is mandatory  
how much do you want? bitch how much can you take  
'cause a nigga like the E you cant break  
Put ya skinny little ass in my face and I'll slap it  
Whip out my dick and let you lick before i tap it  
My left hands on your ass my right hands on your head  
'cause bitches get the nut... and niggas get the lead  
suckin my dick lickin my balls you know you are the  
master  
suckin my toes lickin my ass you make me come faster  
But it just dont stop  
suckin everybodies dick...'cause its good to the last  
drop  
but that shit dont faze me  
I trust no car wrecking ho's this ones for you tracy

\*Chorus\*

Bitches aint nuffin but a hole in a 9 deuce  
I'd rather make a mil while sippin a cold brew  
Bitches aint shit...word to the digi-digi-dick  
Eazy E PPC AMG and Quik  
Bitch I aint babyface so save ya whip appeal  
I neva go on dates with broke bitches, 'cause free  
meals  
are suppose to pay the way to lucrative panty deals?

Bitch please, you betta hit ya knees  
and you can even touch ya toes  
'cause im still playin yall punk hoes like dominios  
and if you suck the dick right and the pussy tight  
I might not beat you down til the 2nd nite  
Once a dog always a dog, trick  
ya little trick tramp slut with a big butt  
'cause you aint shit bitch  
I'd rather fuck ya then love ya  
'cause bitch I neva trust ya

\*chorus\*
