Hey

(Ebba Forsberg lyrics&music; Â©EBOTH Production)

Hey

IÂ've got this notion

IÂ've got a foul player

Dealing for me

Hey

My life needs unreeling fast

IÂ've got this intriguing burn

You left here for me

Such a fool

Such a fool that IÂ've been

Hey

No misunderstanding here

I can see clearly now

YouÂ're letting me go

Let him fall

Let him fall

Hey

IÂ've got this notion

IÂ've got a foul player

Dealing for me

Hey

My life needs unreeling fast

IÂ've got this intriguing burn

You left here for me

Such a fool

Such a fool that IÂ've been
