Hold me, just hold me please
Don't ask me, where I come from
Oh, what I cry these tears
Just hold me, hold me please

Let me rest in the silence of your embrace
Give me a moment and don't make me explain
'Cause all I need, and all I ask for

Hold me, just hold me please
Don't ask me, where I come from
Oh, what I cry these tears
Just hold me, hold me please

Let me rest in the silence of your embrace
'Cause all I need, and all I ask for
Hold me, hold me please

Let me rest in the silence of your embrace
Give me a moment and don't make me explain
'Cause all I need, and all I ask for

Hold me, just hold me please
Don't ask me, where I come from
Oh, what I cry these tears
Hold me, hold me please
