"Born To Be Wild"

Get your motor runnin'
head out on the highway
Lookin' for adventure
in whatever comes our way

Yeah, darlin' gonna make it happen
Take the world in a love embrace
Fire all of the guns at once and
explode in the space

Like a true nature's child
We were born, born to be wild
We could climb so high, I never wanna die
Born to be wild...

I like smoke and lightning
Heavy metal thunder
Wrestlin' with the wind
And the feelin' that I'm under
