Toto, I don't think we're in Kansas anymore....
I was walking up Broadway you know
and there's this incredible looking Swedish girl having
a
Cappuccino across the street from Lincoln Center, I
started
talking to her you know - She said her name was Lola,
Her English wasn't too good you know - but we wound
up spending
about 5 hours together just hanging out you know.
So We go back to my place - we get high - we get really
into each other man.
It was love about to happen...I'm serious.
And then all of a sudden she gets up and she says, she
says "Hey, I really gotta leave"
Damn

So she rang me up and she says, "Hey! Do you wanna
go out?"

be unique
