Bless my soul, what's wrong with me?
Everybody hates me
Take me with a grain of salt
Everything bad will be my fault

Angel bright, life and death
Get off the world
Don't suck my breath
Don't suck my breath

Cloud of doom on my head
Land on someone else instead
Your voice is all around

Come on inside
Come for a ride
Do you wanna' die?

No matter, no form, I can't grab on
To me or you or anyone
I wanna' float back to my friends
I wanna' come back home again

Angel bright, life and death
Why don't you get off the world?

Come on inside
Come for a ride
Do you wanna die?

Come on inside
Come for a ride
Do you wanna die?
Oooooo

Come on inside
Come for a ride
Do you wanna die?
