I've been writing you a story
The headline reads "We're Meant To Be"
See I'm not one to write such fiction
So let me be a reality
And show you what you mean to me

I'm thinking you and I
Should both get lost in love forever
Cause I'm feeling intoxicated
I want to taste the energy you've been breathing

So want me then feel me
I've been waiting for your touch
Your beauty concerns me
I never love someone so?
So want me then feel me
I've been waiting for your touch
Your beauty concerns me
I never love someone so?

Before I met you, my heart was heavy
It was rained it down for all my pride
And now I'm lost in your sweet surrender
Love I have inside
So now I show you what you mean to me

I'm thinking you and I
Should both get lost in love forever
Cause I'm feeling intoxicated
I want to taste the energy you've been breathing

So want me then feel me
I've been waiting for your touch
Your beauty concerns me
I never love someone so?
So want me then feel me
I've been waiting for your touch
Your beauty concerns me
I never love someone so much

And now I'm lost in your sweet surrender

And now I'm lost in your sweet surrender

I want to be the one that you run to
I want to be the one you said I love to
And waiting on forever just to hold you
And our love will make the headlines bleed tonight

So want me then feel me
I've been waiting for your touch
Your beauty concerns me
I never love someone so?
So want me then feel me
I've been waiting for your touch
Your beauty concerns me
I never love someone so much
