How will I know  
ooh baby how will I know  
tell me can I get some answers baby  
how will I know  
how will I knooooow  
how will I know  
ooh baby tell me just how deep is your love for me am I  
livin' a dream or reality how will I know

When I wake up beside you  
and see the smile on your face  
feels like I'm livin a bigger clouds feels like heaven is  
only one stap away but I got the strangest feeling  
feeling I just can't explain I've got these questions in  
my mind tell me do you feel the same how will I know if  
I'm not carding your game

Chorus

The strangest situation  
at times we have so much fun  
but at times I don't know what to feel could it be me or  
are you seein' another one I need to know if your love  
for me is gone Oh baby how will I know tell me can I get  
some answers baby how will I know how will I knooooow  
how will I know Ooh baby tell me just how deep is your  
love for me am I livin' a dream or reality how will I know

Is it that you're running away from reality why are you  
so afraid of sincerity how am I supposed to know how  
you feel about me can you help me, help me, tell me,  
tell me how am I supposed to know

chorus
