Oh
Was on my way
To my gurlies house
Was supposed to meet her at 5
It was on my way
(Yo you know what happened to me
when I was going on my way to my
gurlies house huh aight check this out)

Was on my way
To my gurlies house
Was supposed to meet her at 5
Hey yeah

As I drove my car
I saw this cutie standing at the bus stop
Hey yeah

It was like raining real heavy
(Her face was Coverd By Hair)
But her eyes still kept on mine
(This girl that we messed with)

Was on my way
To my gurlies house
Was supposed to meet her at 5
Hey yeah

Refrein:
Hey what to do
When u got a girl
And someone new
Steps into your life
Hey yeah
Do, do you make a move
Do you play a girl for a fool?
For someone new
Hey yeah

I drove on
But I changed my mind

Cause I couldn't let her go
Hey yeah
In her we thought
She thought me seasons fall
But the things are doing her way
Hey yeah

We felt the heat of passion
(Started kissing caressing)
On a backseat of my benzie
When my girl kept on waiting

Was on my way
To my gurlies house
Was supposed to meet her at 5

Ooh baby yeah yeah

Refrein 2X

Bridge:
You know I love you
But what can I do
When I saw this beauty
On my way to you
You know I love you
But what can I do
When I saw this beauty
On my on my on my on my
On my...
On my way to you

Refrein 3X
