CHORUS (2X):

Catch Me On The Scene And I Be On My Grown Man
Never jocked swag that's something I was born with
Grown Man Swagga... Grown... Grown Man Swag
Grown Man Swagga... Grown... Grown Man Swag

VERSE 1:

I be on my grown man swagga like no mans
Ladies are a fan of the look that I've chosen
Dress shirt, tie, fresh jeans, kicks matching
That be that be the format for ya boys fashion
59/Fifty caps got em but I'm switching that
To fedora hats with the feather on the side strap
I'm the type If I like it then I'm getting it
If you don't like it that's cool where just different
I rock plain t's and they my favor it
But Now I'm trying to cop me blazer quick
Cuz I upgraded to a status of excellence
Now I'm lookin proper call it swag etiquette
I got my own style I don't need yours
I never follow trends cause I be the leader
Bite my swag if you feel it's edible

I be on my grown man swagga impeccable

CHORUS (2X):

Catch Me On The Scene And I Be On My Grown Man

Never jocked swag cuz it's something I was born with

Grown Man Swagga... Grown... Grown Man Swag

Grown Man Swagga... Grown... Grown Man Swag

VERSE 2:

With a grown man swag comes a grown man mind
state

Far the types who start fights on myspace

I tell em Pick the place, set a time and a date

So we can meet and discuss the case face-to face

That's how a grown man would retaliate

He got pride that a bullet couldn't penetrate

He on another level He on a different page

They on they 3rd life stuck on the first stage

I got em panicking they can't handle it

No matter what they do they can't vanish him

So they create new ways to try to damage him

They just mad cause my shoes they aint standing in

Now that's a sad site to wanna be like

Someone else be happy with your own life

See a grown man is his own man

You do you and imma do my own thang

CHORUS (2X):

Catch Me On The Scene And I Be On My Grown Man

Never jocked swag cuz it's something I was born with
Grown Man Swagga... Grown... Grown Man Swag
Grown Man Swagga... Grown... Grown Man Swag

VERSE 3:

They looking lost so I'm here to make it known

This is who I am this is what I'm on

See I'm the opposite I'm far from little kid

I'm on my grown man dawg and I'm loving it

Now lets recap and take a step back

To what it takes if trying to get grown stats

You got the clothes man but idk man

I said grown man you looking like a old man

I recommend you get a grown man mind set

Cause that's the easiest swagga is a process

It's something I was blessed to possess

Cuz all my life my swags be finest

Step ya game up why you being sensitive

When the situation ain't that serious

See like manikin I ain't really feeling that

Grown man swag is exactly what you lames lack

CHORUS (2X):

Catch Me On The Scene And I Be On My Grown Man

Never jocked swag cuz it's something I was born with

Grown Man Swagga... Grown... Grown Man Swag
