I've been running all my life  
Always lost in dreams  
Time goes by...  
Screams are growing  
And night is falling  
Beware... the darkness

All I have wanted never is  
My world is empty just like me  
I won't look back at my own past  
I'm living a lie

Time is neverending  
Time makes me sigh  
Time... I can never find out why it flies

There's no exit  
I can't breath  
There's no hope for me  
Trust no one  
Crazy thoughts and  
Disturbed confessions  
Drives me insane...  
The end is near...

All I have wanted never is  
My world is empty just like me  
I won't look back at my own past  
I'm living a lie
