Are You Ready?  
Ooohooohoo (yeah!)

So fresh, so clean  
Bring on the bling  
step out in bling.

bling bling honey just keep it coming  
don't you know what you want with me  
ya move in with your body stocked  
you and me in the passanger seat.  
Cos you so fly wit ya (bling) appeal  
girl ya know that you're hanging wit me  
we stride out in my coupe appeal  
cos we need what you comin wit me.

yeah had to be so gorgeous just to be so fine and now  
ya finally got it ya self  
you finally gonna shine. and you do it so beautiful right  
in front of the worlds eyes  
and now you looking in a watch like mine.how time  
flies,  
but girl dont buy from a girl, you got it gotter than girl,  
ur corporated than girl. you live in hollywood,  
well whatever you do you sell the whole world you got it  
so go get that money,  
and go make that deposit.

bling bling honey just keep it coming  
don't you know what you want with me (bring on the  
bling)  
ya move in with your body stocked  
you and me in the passanger seat.  
Cos you so fly wit ya (bling) appeal  
girl ya know that you're hanging wit me (bring on the  
bling)  
we stride out in my coupe appeal  
cos we need what you comin wit me.

Bring on the bling

gotta love a girl like me  
hair curls like me  
this is how we bling bling  
get yours like me  
spin me around im a brand new lady (yes you are)  
the guys gon' love this  
the girls gon' hate me (yes they are)  
how you like me now, with my new profile (uh huh)  
hair like wow, i gotta bling this town.  
cos we, so glamorous. Now can you handle us (no we  
can't)  
the whole world lookin so damn fabulous.

bling bling honey just keep it coming  
don't you know what you want with me  
ya move in with your body stocked  
you and me in the passanger seat.  
Cos you so fly wit ya (bling) appeal  
girl ya know that you're hanging wit me  
we stride out in my coupe appeal  
cos we need what you comin wit me.  
check the feeling and the toes watch out  
the glows and that bout to step out the door.  
dont you love it, make you wanna touch gucci up in the  
uh.  
turn around and let me see you move like you are, just  
move it im sure  
i mean your clear, from front to rear. no need to feel  
the world is yours

bling bling honey just keep it coming  
don't you know what you want with me (bring on the  
bling)  
ya move in with your body stocked  
you and me in the passanger seat.  
Cos you so fly wit ya (bling) appeal  
girl ya know that you're hanging wit me (bring on the  
bling)  
we stride out in my coupe appeal  
cos we need what you comin wit me.
