Set me free why don't you baby  
Get out my life why don't you baby  
Why won't you release me  
You just keep me hanging on

Let me tell you what is so frustrating  
Not knowing what you want  
Today I'm unattractive to you  
Then next week I'm turning you on

You must think that, I'm some game  
You can play with and throw away

Set me free why don't you baby  
Get out my life why don't you baby  
Why won't you release me  
You just keep me hanging on

Tell me how would you feel honey  
If you ended up alone  
Staring into a mirror of regrets  
Cos you traded in your diamond for stones  
Sometimes I feel like I'm in jail  
And I'm just a prisoner
