I can tell by your eyes that you've probably been crying
forever

And the stars in the sky don't mean nothing to you,
they're a mirror

I don't wanna talk about it, how you broke my heart
If stay here just a little bit longer
If I stay here won't you listen to my heart, oh woh my
heart

If I stand all alone will this shadow hide the colors of
my heart
Blue for the tears, black for the night's fears
The stars in the sky don't mean nothing to you, they're
a mirror

I don't wanna talk about it, how you broke my heart
If I stay here just a little bit longer
If I stay here won't you listen to my heart, oh my heart

I don't wanna talk about it, how you broke this old heart
If I stay here just a little bit longer
If I stay here won't you listen to my heart, oh my heart
My poor old heart, my heart
