Devilment's accomplishment
The devil remembers you found
Your true vocation
To live beyond your station
_____ leaves wrapped in quotations
Rolling out saliva on salvation
All the more
And all that you've been looking for
Floored by design
Speak as you find
Speaking as you find
All the one skin
All the one mind
Floored by design
Speak as you find
Speaking as you find
Staggering blind
As you chase time
Waste time
Blank expression, blank verse
It could get worse
If all your past precedes you
To find the soul to take you
_____ shout of indignation
Lost their worth
And meaning in translation
Unhappiness will quantify the moral
Floored by design
Speak as you find
(speaking as you find)
All the one skin
All the one mind
(one mind)
Floored by design
Speak as you find
(speaking as you find)
Staggering blind
As you chase time
As you waste time
As you waste time
Devilment embarrassment
The face in your old mirror

Now just hates you
And you _____ you
Eyes lost in comtemplation
Hands are trembling
Heads gone on vacation
And settled scores are all
That you've been fighting for
Floored by design
Speak as you find
(speaking as you find)
All the one skin
All the one mind
(one mind)
Floored by design
Speak as you find
Speaking as you find
Staggering blind
As you chase time
As you waste time
As you waste time
You waste time
You waste time
You waste time
