"Do It Clean"

I've got a handful of this
What do I do with it?
I've got a barrel of this
What do I do with it?
I do it clean, I do it clean

Do it clean, do it clean
Know what I mean
Do it clean, do it clean
I know what I mean, I mean

Where am I going?
Where have I been?
Where are you going?
Where have you been?
I've been here, I've been there

I've been here, there, everywhere
Here, there, nowhere
Iszy bitzy witzzy itzy everywhere
I've been here and I've been there
I'm clean

I had a handful of this
What did I do with it?
I had a barrel of this
What did I do with it?
I did it clean, I did it clean

Do it clean, do it clean
Know what I mean?
Do it clean, do it clean
I know what I mean
