Do you know who I am?

Live it, hate it  
Want it, had it  
Need it, got it

Take it, took it  
Shaked it, shoked it  
Flaked it, flucked it

Do you know who I am?  
Do you know what I've got?  
Do you know who I am?  
Cause I know what you're not  
Read it, wrote it  
Heard it, spoked it  
Made it, broked it

Do you know who I am?  
Do you know what I've got?  
Do you know who I am?  
Cause I know what you're not

Love it, hate it  
Want it, had it  
Need it, got it
