It was cheap at half the price  
Took a shovel where a spoon would suffice  
Now I can't see you  
Now I can't see you  
Regimental in my way  
Detrimental at the end of the day  
But you won't be told  
No, you won't be told  
I will be, I will be  
I won't be frightened  
I will be, I will be  
I'll be enlightened  
Word of pain you so to say  
There's a splinter in your  
Splendor today  
I could believe you  
I would believe you  
There's a world inside your world  
There's a glass house where the insults are held  
But you won't be told  
No, you won't be told  
I will be, I will be  
I won't be frightened  
I will be, I will be  
I'll be enlightened  
Took a chainsaw to my mind  
Did arrange I'd left a sad world behind  
But all will be fine  
Yes, all will be fine  
I will be, I will be  
I won't be frightened  
I will be, I will be  
I won't be enlightened  
I will be, I will be  
(you're shy \_\_\_\_\_)  
I won't be frightened  
(you try but still the words won't come)  
I will be, I will be  
(you're shy \_\_\_\_\_)  
I won't be enlightened  
I will be, I will be  
(you're shy \_\_\_\_\_)

I won't be frightened  
(you try but still the words won't come)  
I will be, I will be  
(your chance had turned)  
I won't be enlightened  
I will be, I will be  
I won't be frightened  
I will be, I will be  
I won't be enlightened
