Happy death men stand in line
Happy death men
Happy death men polish and shine
Happy death men
Happy death men
The last breath man
Happy death men
Take them to your heart
Happy death men
No regret men happy death men
Like to keep things dark
Happy death men stand in lines
Happy death men
Happy death men polish and shine
Happy death men
Happy death men
The last breath men
Happy death men
Take them to your heart
Happy death men
No regret men
Happy death men
Like to keep things dark
Okay
Happy death men stand in lines
Happy death men
Happy death men polish and shine
Happy death men
Happy death men
The last breath man
Happy death men
Take them to your heart
Happy death men
No regret man
Happy death men
Like to keep things dark
Here we go
Mmm, ooh
Mmm, ooh
Mmm, ooh
Mmm, ooh
