(\*talking\*)

Dedicated to all the playas, all over the world man  
Everybody that knows, how to keep things  
On the down low, you feel me

[Hook: Big T]

He ain't gotta know, about the freaky things we do  
Cause ahh, that's between me and you  
He ain't gotta know, if you won't tell then I won't tell  
Cause baby girl, you know you fine as hell  
He ain't gotta know

[Lil' O]

If you won't tell then I won't tell, girl you know you fine  
as hell  
Quit acting like an angel, cause you know that you be  
lying well  
Say you at the beauty shop, say you with your  
homegirls  
Having drinks, doing all the things that girls do a lot  
Like gossip and, say you went shopping  
Girl you know your man would never think, you out here  
bopping  
Young playas like me, who ain't want for nothing  
Cause I'm a young balla stunning, and I'm riding on  
buttons  
So you ain't gotta front with O, girl I know that you  
choosing  
And if I say let's leave right now, girl I know that you  
cruising  
But that's our bidness, ain't nobody gotta know what we  
doing  
So let's keep this on the low, so no one knows that we  
screwing

[Hook: Big T]

He ain't gotta know, about the freaky things we do  
Cause ahh, that's between me and you  
He ain't gotta know, if you won't tell then I won't tell  
Cause baby girl, you know you fine as hell  
He ain't gotta know, if you ain't tripping I ain't tripping

So let's do this baby, part of my pimping  
He ain't gotta know, if you won't tell then I won't tell  
Cause baby girl, you know you fine as hell  
He ain't gotta know

[Lil' O]

Now all that pay your bills, I ain't got the patience man  
Girl your dude at home, you know I'm just the  
maintenance man  
I'm the one you call, when you wanna ball  
What he done pissed you off, you wanna forget it all  
We can get some codes, smoke some marijuana  
Sip on a little Hypno', sit up in my sauna  
And when we done, best believe I'ma put it on you  
Cause they gon hear the backdoor, way in California  
You glad you did it don't you, you feel better huh  
You probably tried to give him something, he wasn't  
with it huh  
But that's iight, he gon look all wild  
When you walk up in the house, with that big old smile

[Hook: Big T]

[Big T]

About a damn thang, about us  
So keep this lil thing, on the cool

[Lil' O]

Say boo, just chill don't tell just hush  
I know you love, my feel my touch  
It's real I'm trill, you trill let's crush  
No rims, it's just a little freaky thing for us  
But that's nobody's business (baby)  
I ain't your man, and you aint my (lady)  
Plus I won't tell nobody, that you really (shady)  
Plus I know my loving, got you going (crazy)

[Hook: Big T]

He ain't gotta know - 4x
