On your wings you carry me down  
Highway to the shore  
At your wheel you steer me there  
Steer me no more  
Me no more

All my leaves are turning with  
The changes of the seasons  
All my dreams are burning up  
And looking for a reason

In my time of living  
I just wanted to be true  
But I just took your giving  
And I stole the truth from you

In the line of duty  
I turned upon my heel  
Peeled the skin off beauty  
And too much was revealed  
Much too real

All my pages into you  
Like a book I never read  
All my words are words  
I wish I could have said

On your wings you carry me down  
Highway to the shore  
At your wheel you steer me there  
Steer me no more  
Me no more

All my leaves are turning with  
The changing of the season  
All my dreams are burning up  
And running out of reasons

All my pages into you  
Like a book I never read  
All my words are words  
I wish I'd never said

La la la la la la la la la la  
La la la la  
La la la la la la la la la la  
La la la la  
(hitchin' a ride)  
La la la la la la la la la la  
La la la la  
(down your highway)  
La la la la la la la la la la  
La la la la  
(hitchin' a ride)  
La la la la la la la la la la  
La la la la  
(down your highway)  
La la la la la la la la la la  
La la la la  
(hitchin' a ride)  
La la la la la la la la la la  
La la la la  
(down your highway)  
La la la la la la la la la la  
La la la la  
(hitchin' a ride)  
La la la la la la la la la la  
La la la la  
(down your highway)  
Hitchin' a ride  
Hitchin' a ride
